

trial in error

2014 demo

Impossible!

Impossible! is a Chicago-based experimental musical group blending rock, electronica, ole time jazz, balkan, latin and classical. We play a mixture of original material and covers, often within the same song.

Several of the group's members are active in dance and visual arts as well, and are open and interested in collaboration with other theater and visual artists.

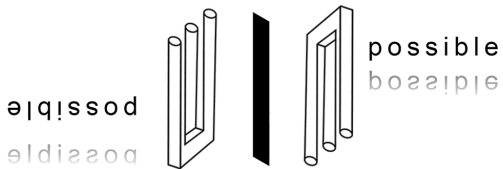

impossible is:

eric	acoustic guitar
jah	violin / vocals
kat	synth
kurt	upright bass / vocals
stan	drums
steve	electric guitar
